\*\*\*OBTENCION DEL **QTS** PARA EJERCER DE PROFESOR DE SECUNDARIA EN REINO UNIDO:

### **Reconocimiento de la profesión de "Profesor/a de Educación Secundaria" en el Reino Unido**

La Directiva 2005/36/CE sobre reconocimiento de títulos y profesiones determina que cualquier profesional habilitado para impartir docencia en un país de la Unión Europea puede acceder a ese derecho en cualquiera de los países miembros. En el Reino Unido para ejercer la profesión s imprescindible obtener un **reconocimiento profesional (QTS "Qualified Teacher Status")**.

Siguiendo la Directiva Europea 2005/36/CE, debe solicitar al país en el que tenga intención de trabajar, ese reconocimiento. En Inglaterra y Gales, la autoridad competente para obtener el QTS es el National College for Teaching and Leadership (**NCTL**), agencia acreditada por el Department for Education, (DfE) británico. En Escocia e Irlanda del Norte también es necesario contar con la acreditación como docente para poder ejercer la profesión.

Se puede obtener información sobre requisitos, documentación y procedimientos en

- <https://teacherservices.education.gov.uk>
- [General Teaching Council for Scotland](#) 
- [General Teaching Council for Northern Ireland](#) 

Para solicitar el QTS ante la NCTL se puede hacer totalmente "on line" siempre que en el momento de iniciar la solicitud, se tenga preparados los siguientes documentos con su correspondiente traducción jurada, y escaneados o fotografiados en formato **pdf** o **jpg**:

- Documento de Identidad (DNI, Pasaporte, permiso de conducir)
- Documento probatorio del cambio de nombre si difiere del que aparece en las calificaciones ( por ejemplo, en UK, las mujeres cambian su apellido al casarse)
- Detalle de anteriores empleos de los últimos 10 años, cuando la solicitud se hace sobre la base del reconocimiento de la experiencia laboral ( aquí no es el caso)
- Registro o detalle de las calificaciones
- Traducción jurada del registro de calificaciones
- Copia del expediente académico o "Suplemento Europeo" al título bilingüe( Esp-Inglés)
- Traducción jurada de los anteriores si no están emitidos en bilingüe
- Prueba de Formación complementaria que se haya realizado para conseguir la condición de docente en el país de origen miembro del EEE ( por ejemplo, documento acreditativo de un Programa de Profesorado, o un año de prácticas) Para candidatos españoles, esta prueba es la posesión del CAP o del Máster de profesorado

Con estos documentos y sus correspondientes traducciones juradas escaneados en formato pdf o jpg se inicia la solicitud "on line" a través de este enlace:

<https://teacherservices.education.gov.uk/MutualRecognition/EEAPage1>

En la sección 4a. de la solicitud se debe cargar de forma inmediata los documentos. El proceso no puede interrumpirse. El programa informático de soporte no permite recuperar una solicitud que no se ha completado en una única conexión.

En resumen, los documentos necesarios para obtener el QTS un profesor de secundaria formado en España son el título de Grado, o Licenciatura o Diplomatura y el CAP o Máster de Profesorado de Secundaria, con sus debidas traducciones juradas.
